2012 in review

The WordPress.com stats helper monkeys prepared a 2012 annual report for this blog.

Here's an excerpt:

600 people reached the top of Mt. Everest in 2012. This blog got about **4,300** views in 2012. If every person who reached the top of Mt. Everest viewed this blog, it would have taken 7 years to get that many views.
